Baptism Weekend

KJ Tencza, Pastor of Church Connections

Group Interaction & Application

For those of you who have been baptized:

Take some time to share your own baptism stories with the group.

In what ways has your own baptism served as a mile marker for you in your faith journey?

If you have not taken the step to be baptized, what might be causing you to hesitate?

If you long to be baptized, what steps could you take to make this happen?

How do you feel when experiencing/witnessing others being baptized?

What was your experience like being part of this past weekend's services?

If there are new followers of Christ in your personal circle, what could it look like for you to support them in their initial steps.

Conclude your time together praying for one another.
